Dear Friend,

We at El Programa Hispano Católico, Oregon's largest provider of social services to low-income Latinos, invite you to support our annual Back to School Fair. The event takes place August 27th at the Gresham Center for the Arts Plaza in Gresham, Oregon.

Over the years, our Back to School Fair has grown from a small school supply distribution program to an all-day cultural celebration. Last year, in addition to handing out over 5,000 dollars in school supplies to local youth, the event featured food, cultural performances, raffles, and family activities. This year, we expect attendance of at least 700 students and family members from around East County.

Not only is this a crucial need for our students, but an essential step for starting the school year right for many families in our neighborhood. **Please help us support low-income students this school year.** In appreciation, we would be delighted to feature your name and logo throughout our promotional materials and online presence for the event. Also, representatives from your organization could have the opportunity to join us the day of the event, volunteer, and take part in a truly needed service to the community

Thank you for your support. I have attached sponsorship information for your consideration.

Respectfully,

Patricia Rojas  
Executive Director  
El Programa Hispano Católico
